(1) Agree minutes of the last meeting and any matters arising

Duly agreed with the following matters arising:

- Val reported Exeter City Council support for the Pinhoe Library/Hub project bid and that in general things were progressing well and perhaps better than anticipated.
- Dr Duncan had taken up the matter of ? misuse of repeat ordering with the CCG Medicines management group, who encouraged us to bring any such concerns to their attention. He had also briefed the other Partners regarding this discussion.

(2) Ebbie Peters - Community Builder - Wellbeing Exeter (WE)

We welcomed Ebbie to the meeting again and she provided a short update:

- A 'Couch-to-5K' programme was starting in Pinhoe. This had proved successful elsewhere and the Practice was happy to promote this.
- The local Garden Society was going well.
- A Pop-Up café had started in the United Reform Church hall.
- The Pinhoe Press had started, being delivered to every household in the area. This was potentially a useful conduit for both health messages and the work of Wellbeing Exeter.
- A forthcoming skittles evening was noted, at the Jubilee Club, with proceeds to Clyst Caring Friends.
- A summer fete, in support of the Pinhoe library/hub, was planned for 30th June.

(3) Any Other Business

Practice Update

AP had planned to provide an update but had not had time on this occasion. He hoped to do this in future as a regular slot, together with some key Practice 'stats'.

(5) Date of the Next Meeting

Agreed as Thursday 16th August 2018.
